August 12, 2024

Aloha Parents & Guardians,

We hope this letter finds you well.

We are writing to inform you about our upcoming Annual Safety Day, which will be held on **Thursday, August 15, 2024**. This important event is designed to prepare our students and staff for potential emergencies and to ensure the safety of our school community.

During the day, Molokai High and Molokai Middle schools will be conducting various emergency drills, including:

- Off-campus evacuation
- Fire evacuation
- Bomb threat
- Earthquake drills
- Lockdown

These drills are crucial for teaching our students how to respond appropriately in case of an emergency. While these drills may cause some disruption to the regular school day, we believe it is essential to prioritize the safety of our students.

We understand that any emergency situation can be unsettling, but we want to assure you that we have carefully planned these drills to minimize any anxiety. We will communicate with students about the purpose of each drill beforehand to help alleviate any concerns.

Thank you for your support and understanding as we work together to create a safe learning environment for all.

Sincerely,

A handwritten signature in black ink, appearing to be "K.P.", written in a cursive style.

Kainoa Pali
Principal, Molokai Middle School
